

Class 1

Gion: Hmm. What should I have?

Lucas: Well, (1)! I know this place very well. Let me decide for you.

Gion: So, does that mean that (2)?

Lucas: Well, OK if you promise to treat me the next time we go out.

Gion: Hmm... Well (3) split the bill.

Lucas: (4). Waiter! 2 colas please!

Gion: To tell the truth, (5) have a beer.

Lucas: Sorry! One cola and one beer please!

Gion: (Gulps beer!) Ahh... That tastes good. I'm not sure if I should say this, but I just broke up with my boyfriend.

Lucas: Oh, (6)... I can't understand how someone could break up with someone as beautiful as you...

Gion: Oh.. You're such a nice person. (7) you were a little better looking.

Lucas (8)! What's the matter? Are you drunk already?

Gion: Oh, sorry. (9). (10), do you have any single friends you could introduce me to?

Lucas: Well, actually, I'm the best guy I know, but (11) take care of your drinking problem first.

Gion: Shut up! (12)! That's what my old boyfriend said!

Lucas: Maybe he was right! What kind of person was he?

Gion: He was a two-timer. He was always having affairs with women from his work.

Lucas: (13). I could never do anything to make you sad. I'll even let you drink a little if you want to.

Gion: Stop being such a cheeseball! (14)

Lucas: Please understand me! (15) I want you. I need you. I love you!

Gion: Ok! Let's get married! I really love you. I just couldn't say it.

(And the two of them went to Hawaii to get married.....)

(After the wedding ceremony, in Maui, at the beach)

Lucas: That was a nice wedding ceremony, wasn't it?

Gion: Yes it was. Well... do you wanna go swimming?

Lucas: Nah, I think I'd rather go back to the hotel.

Gion: Ok, but first I wanna get something to eat.

Lucas: Ok, we can get room service.

Gion: Why do you wanna spend all our time inside the hotel? This is Maui, one of the most beautiful places in the world!!

Lucas: Because I wanna be alone with you...

Gion: You're such a cheeseball! (16)!

Class 2

Gion: I'd like some melon soda. Have you decided what you would like?

Lucas: Does this place have an (17)?

Gion: Didn't you see the sign? This is Starbucks! Of course there are no all-you-can-drink deals! (18)? Haven't you ever been to Starbucks?

Lucas: Fine. Sorry, I'm from Detroit. We don't have many Starbucks there. (19) just get a coffee.

Gion: Ok, I'll go get it. You can pay me later.

Lucas: Thanks.

Gion: Here you are.

Lucas: Oh no! This is ice coffee! I wanted hot coffee!

Gion: Well, if you're going to be so picky, why don't you go and get it yourself!

Lucas(20)! You're such an idiot! It was a mistake to let you get it in the first place.

Gion: (Throws coffee in Lucas's face) (21) you loser!. I never want to see you again!

Lucas: Ok! Ok! I'm sorry! (22) . Don't worry about the coffee. Actually, it felt good because I was hot. Listen, (23) and go to the studio. Ok?

Gion: OK. But (24) for the coffee!

Lucas: All right.

(At the studio????)

Gion: Hey, this doesn't look like a studio! There was a steeple outside, there are stained-glass windows everywhere, and that old man over there is wearing a long black robe. Isn't he hot?

Lucas: Yes, (25) , but I'm hotter than him, for you. Let's get married here and now! Let's think about children. What names do you like?

(Lucas approaches Gion, as if asking for a kiss.....)

Gion: Get away you pervert! (-slap-)

Lucas: Ok. Ok. I was just joking. Actually, the studio is downstairs. We rent the space from the church.

Gion: Really. Oh my god.(26)!

Lucas: Now we are filming Harry Potter 7. See! Harry Potter is flying!

Gion: I want to fly too. Can I try?

Lucas: If you want to fly, why don't you we take a plane to Hawaii for our honeymoon!

Gion: You intend to take me to such a stupid place?(27) ! ... However, I will if you do the 'Hige-Dance for me right here and right now.

Lucas: Of course! (he dances)

Class 3

Gion: Since you invited me, it's your treat, right?

Lucas: Of course it's my treat. Please order anything you want.

Gion: OK! I'm really hungry! I'll have some coffee and a WHOLE chocolate cake, please.

Lucas: Well, (28) if you eat so much?

Gion: Well, I just broke up with my boyfriend. I'm really in the mood for some chocolate!

Lucas: Well, (29), I'd like to go out with you. I mean as a boyfriend. Wouldn't that be better than chocolate?

Gion: Well,(30). Just get me the cake!

Lucas: Wait a second! Which is more important, chocolate or me?

Gion: If you don't get me the cake, I'm going home!

Lucas:Waiter! A whole chocolate cake please!

Gion: (eats the cake) Thanks a lot. That was good! Oh! I forgot! I have something to do! (31). Could I meet you at the studio later? Where is it? (32).

Lucas: Well, (33) if I let you go now, we will never see each other again.

Gion: Hmm..(34). Just tell me where the studio is!

Lucas: You must know what I mean! You are more important to me than the air that I breath! I can't live without you for even a second.

Gion: Air? To be honest, You don't even mean as much to me as that chocolate cake. Come on! Tell me where it is! (35)

Lucas: Ok the studio is 211 Lee St. apartment #4. Just knock on the door. (It's really his apartment)

(At Lucas's apartment)

Gion: (Knocks)

Lucas: Hello. Come in!

Gion: Oh.. This is what a studio looks like.... It's so modest. How can you make movies in such a small space?

Lucas: Tonight, this whole studio is just for you.

Gion: Oh! I will be the star? Well, I suppose you will need a hero. I have a good person for the role waiting downstairs. He is my boyfriend. (36)

Lucas: Well, actually, I am going to be the hero. Can we use him as the bad guy?

Gion: No. no. no. no. (37) Hey, where is the cameraman? I don't see him anywhere!

Lucas: Listen baby. do you want to be a star or not?!

Gion: (She takes out her phone and dials a number) Matt! Matt! This guy is being strange! Come up here right away!
Help! Help!

Class 4

Gion: How did you like the movie?

Lucas: Pardon me?

Gion: Ok,(38)!

Lucas: I'm sorry.(39)? I couldn't hear you.

Gion: No, really. It's not important. Listen, I think I want to go home. It was a bad idea, coming to this café with you. See you later!

Lucas: No! No! Please don't go.(40)? Please stay.

Gion: Ok, I will stay if you treat me to some coffee.

Lucas: Well, how about water?

Gion: I said COFFEE. Can't you hear?

Lucas: OK. Waiter! One coffee and one water please!

Gion: Ah,(41) . I think I'd rather have a parfait.

Lucas: (42) ? A parfait??? Aren't you worried about gaining weight? Parfaits are so fattening!

Gion: What?! You are so rude! You shouldn't talk about a lady's weight. I'm leaving. Bye!

Lucas: Ok. Ok. I was just joking. Actually, I don't have that much money and parfaits are expensive. Would just coffee be OK?

Gion: Why did you invite me here if you didn't have any money?(43)?

Lucas: I'm Superman. The taxi is my disguise.

Gion: Really?!! (44)! Actually I am Super Woman! I have just come from Super-Planet.

Lucas: Great! We can work together to save the world!!

Gion: Ok, (45) let's fly to my base on the north pole!

Lucas: Sure, OK. My base is on the north pole too!

Gion: Let's go! -(They fly off) -(They are in flight)

Superman: Do you wanna race? I'm faster than a speeding bullet!

Superwoman: Ok! Do you think you can beat me? I'm faster than the speed of light!

Whoever loses has to obey the winner for eternity!

Superman: Ok, you are as fast as light and cute as a rose! .. Let's go.

(the two approach the speed of light and experience a time slip.)

Superwoman: Why are all the stars blurring? It seems as if light is bending.

Superman: It must be a time warp! We are going into the future! Oh, no!

Superwoman: Oh! Look at that strange robot! It's Hamada! He has become a robot!

Superman: Oh, no (46)!

Hamada Robot: Hey you! I am the new leader of the universe! Bow down before me! I have come to take all the earth's oil!

I need it for this big robot suit! I will replace your leader Kofi Annan III with my freind. He will control the earth's government and give me all the oil, but nobody will know he's my freind. Give up!(47)!

Superman & Superwoman: What should we do????

Hamada Robot (48). I rule the universe with my friend Inada Robot. You must obey him, too.

Inada Robot: Hi everybody!

Superman: Oh, no! Two giant robots!

Superwoman (49)!

Superman: What is it?

Superwoman: They need the oil for their suits, right?

Superman: Yes.....

Superwoman: Well, if we give them a new source of energy, they won't need the oil!

Superman: Good idea!!!!

Inada robot: Well that's a good idea for Hamada's suit, but my suit is different. It doesn't need any energy. I just sleep in it. Instead, please find me a wife.

Superwoman: OK,(50).

Language comes in chunks and is used more automatically than you think. The blanks from the dialogue are filled with fixed, or semi-fixed patterns. There are 50 blanks. Please use the page on the net to fill in the blanks. These will be on the test.
